Don, Lisa, and Tim –

We here at DOJ were able to speak to our colleagues at EPA late this afternoon about the Intervention Motion. We would like to seek until December 16, 2016 to file our response (which will be an Opposition). That will be a 31 day extension from the current due date of November 15 to December 16. Our US Attorneys' Office advises us that under the circumstances of this case, the Magistrate Judge will grant this. Does that sound OK to you?

We need a little more time to develop a more detailed sense of what our Opposition will say. So, we will set up a time to talk with you about that once our thoughts are more cohesive.

Thanks.

Annette
